INOVAR

Longer Life. Lasting Impressions.

Why INOVAR FLOOR ?

Superior Water Resistant Quality
Our factory has been recognized as the world's LARGEST exporter of superior water resistant laminate flooring which exceeds European standards.

Superior Scratch Resistance Quality
Inovar Floor has a german protective layer that prevents the flooring from scratching and fading.

More Durable & More Impact Resistant
Inovar Floor is simply more durable and more impact resistant than many floor covering materials you can find in the market.

Solid Direct Manufacturer Warranty
INOVAR provides a SOLID Direct Manufacturer Warranty against staining, fading, termite attack and surface Wear-through.

WaxGuard+™

The **WaxGuard+™** process coats all four sides of the floorboard with a water repellent, thus making it more resistant to moisture and water. It also reduce sqeaking noises caused by uneven subfloor.
